PETITION UNDER 37 CFR § 1.48(b)

Sir:

Applicants hereby petition the Commissioner to correct the inventorship of the above-captioned application. The subject patent application is a divisional patent application of a parent patent application No. 09/831,244. The parent application was jointly invented by Vanessa MJ McCallum, Martin Kaselis and Hans H. Egli. However, due to the restriction requirement applied by the Examiner to the parent application the Applicant filed the divisional application canceling the claims prosecuted in the parent case. As a result, Martin Kaselis is not an inventor of the invention being claimed in the pending claims of the subject application.

Pursuant to the provisions of 37 CFR §§ 1.48(b) and 1.17(i), the Commissioner is authorized to charge the required fee of \$130.00 to Deposit Account No. 50-0895, and any such additional fees, which may be required in relation to this filing.
